

Module Enhancement Plan Template 2 (MEP 2)

Purpose: This simpler MEP focuses Module Leaders in evaluating the SEJ Process as a subject within the named module

Academic Year	
Module Title	Class/Year Group
Name of Lead Module/Course/Subject	Cohort/Class size
Name of Teacher/Tutor	
Training Schedule adopted	Term/Period slot
1.	How has the action plan detailed in last year's MEP been taken forward?
<p><i>Please comment here on each action and identify progress and successes. Identify those actions that have not been completed and ensure where relevant these are included in the upcoming action plan . This section is NOT applicable in the first year of running the SEJ training.</i></p>	
2.	Identification of Good Practice
<p><i>Describe specific examples of good practice providing evidence to support this. How would you share or take forward these examples of successful good practice, what initiatives might be beneficial?</i></p>	
3.	Please confirm which of the following key monitoring information has been considered and the evaluation of such has informed the production of this MEP:
Delivery team evaluation <input type="checkbox"/>	Student Feedback <input type="checkbox"/>
External examiners/agencies reports or comments <input type="checkbox"/>	Student performance Data <input type="checkbox"/>
Collaborative partner evaluations <input type="checkbox"/>	Other (please state):

4.	Student performance
<i>Please comment here any notable general changes/improvement in student performance arising from the integration of the SEJ Process at your setting for example, increased attendance, retention, progression, improved engagement, higher assessment score.</i>	
5.	Action Plan for the following academic session
<i>(To respond to external examiners/professional bodies, further develop/embed good practice and to address any identified areas of improvement)</i>	
6.	Signatures
<p>This module evaluation has been prepared by the Module Leader(s)</p> <p>Signed: _____ Date: _____ (Module Leader(s))</p>
